

The Ramblers: South Dorset Group

Walks for August 2011

Anyone wishing to join one of our walks should telephone the leader or contact, who can explain the meeting arrangements etc.

Non-Ramblers members will be welcome to try a walk or two with us before joining.

Please note that if a mobile phone number is shown in addition to a land line number, it is for use on the day of the walk only, should you have a need to contact the leader for any reason.
